

Special conditions 2021 due to coronaviruses that modify terms and conditions charter general contract

Modifying the general conditions of the rental contract for Adria yachting 2020:

- **Ability to change booking**

for any other available period for season 2021.

It is possible to change your dates, as long as the departure remains in 2021 and the charter area remains the same. If the rescheduled booking is more expensive the price difference will be charged. You will need to pay the difference if the booking is more expensive and there will not be a refund if the booking is less expensive.

- **Cancellation police**

Clients can cancel the booking **up to 2 weeks before** the charter. You have to confirm the change max. 15 days before the charter, to get the possibility of voucher. Voucher can only be issued if the charter is **paid fully**, in case you cancel the charter **within one month** before the embarkation. Also, the dates can only be changed once!

In case we don't receive the confirmation 15 days before the charter- **the AY general terms** of conditions will be valid.

The voucher can also be issued only:

- **If the borders of the host country or of the traveller are officially closed on the date of the cruise.**
- **If a quarantine of 7 days or more is imposed on travellers returning from their vacations**
- **If boating or non-essential travel is formally prohibited in the area where the boat charter starts or the client's place of residence, on the dates of the cruise.**

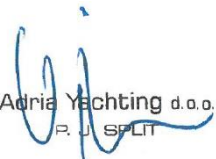

The obligation of a Covid-19 test (PCR) **before or after** the trip is not a sufficient condition to benefit from a voucher

Likewise, **disruptions related to transportation** are not a sufficient condition to have issued the voucher.

- **Payment conditions**

- first advance payment at confirmation is **25%** of charter price
- second payment of **25%** till 31.01.2021
- balance of **50%** one month before embarkation
